Coaching Strategies for
Transforming Challenging Conversations

Monday, September 25, 2023
12:30pm - 2:30pm ET

In both personal and professional spheres, difficult conversations are inevitable. Discover the power and effectiveness of taking a "coach approach" to focus on empowerment of the human heart. Building upon concepts such as powerful questioning, active listening and engagement, workshop participants will have the opportunity to elevate their learning through interactive activities and practice conversations with their peers.
